

WHAT HAPPENS TO YOUR SHOES ?

Angel Bins works with Micro-Entrepreneurs across the globe.

When you host an Angel Bins shoe drive fundraiser, you are giving someone the opportunity to walk in your shoes.

1

It all starts with YOU!

2

Ask friends, family and neighbors to donate new or gently worn shoes!

3

Angel Bins recycles, washes and exports the shoes to developing nations!

4

Micro-entrepreneurs repair and resell the shoes to their local villages and communities giving them the opportunity to provide for their families.
